

Sharing the love of Christ
 BY INVESTING IN PEOPLE

Whether it's walking alongside the next generation and their families at Kids Club or working together with adults at Volunteers in Medicine as they take charge of their health – New Braunfels Christian Ministries is all about showing God's love.

God is doing new things at **VOLUNTEERS IN MEDICINE**

NBCM Volunteers in Medicine shares the love of Christ by investing in the lives of local residents. The clinic provides medical and dental care at no charge to uninsured adults, empowering patients to manage chronic health conditions and avoid the need for costly emergency care.
